

CARPENTER JOB DESCRIPTION

We are looking for Carpenters to join the Dale Gruber Construction team. We offer excellent benefits, competitive salaries, and great team environment.

RESPONSIBILITIES

- Assist with a wide variety of commercial and residential construction projects; including by not limited to demolition, framing, finish carpentry and miscellaneous work.
- Accurately follow daily directions and complete work with the highest quality standards in the industry.
- Understand daily task and know exactly what is expected to keep the job progressing as planned.
- Keep a positive attitude about the job, the company management, your crew and the subcontractors.
- Check all your work for accuracy.
- Keep the jobsite clean and organized.

REQUIREMENTS

- High school diploma or GED
- General working knowledge of construction.
- Willing to learn and gain experience in the construction industry.
- The ability to work with other employees and subcontractors and perform high quality work.
- Acquire and maintain basic working set of tools.
- Develop an expanded set of tools as you progress in your role.
- Must be capable of lifting up to 90 lbs., climbing ladders, scaffolding, crawling into confined spaces, operating commercial power tools and equipment, etc.
- Must be able to work outdoors in extreme weather conditions.
- Must have a valid drivers license and be insurable per insurance company underwriting requirements.
- Must pass pre-employment drug test and DOT exam.
- Must be at least 18 years old.
