

## LEAD CARPENTER JOB DESCRIPTION

We are looking for Lead Carpenters to join the Dale Gruber Construction team. We offer excellent benefits, competitive salaries, and great team environment.

### RESPONSIBILITIES

- Complete a wide variety of commercial and residential construction projects; including by not limited to demolition, framing, finish carpentry and miscellaneous work.
- Lead crew and work closely with the subcontractors to ensure each project is completed to the highest quality standards in the industry, on schedule and on (or under) budget.
- Assign tasks to employees on the job site – provide explanations, details and expectations.
- Physically helping your crew with the work as needed.
- Recommend cost saving measures, minimize incidental expenses and provide input on how to be more efficient.
- Inventory products and supplies for job.
- Stay in daily contact with major subcontractors and the customer.
- Monitor jobsite safety, cleanliness, organization, making sure it meets OSHA and company policies.
- Keep a positive attitude about the job, the company management, your crew and the subcontractors.
- Check yours, the crew and vendor's work for accuracy.

### REQUIREMENTS

- High school diploma or GED
- Trade school diploma or equivalent experience.
- 6-8 years of light commercial and/or residential construction experience.
- Must be detail oriented and have great customer service and leadership skills.
- The ability to work with other employees and subcontractors and perform high quality work.
- Acquire and maintain basic working set of tools.
- Must be capable of lifting up to 90 lbs., climbing ladders, scaffolding, crawling into confined spaces, operating commercial power tools and equipment, etc.
- Must be able to work outdoors in extreme weather conditions.
- Must have a valid drivers license and be insurable per insurance company underwriting requirements.
- Must pass pre-employment drug test and DOT exam.
- Must be at least 18 years old.
